Defends the Name

"THE SALE OF SATISFIED BUYERS."

At the close of the auction sale of purebred Scotch Shorthorns to be held at Abingdon, Illinois on Friday, October 26th, the thirty-third sale under this same management will have been completed. When this sale was established twelve years ago this March, we gave it the name "**The Sale of Satisfied Buyers.**" We had no right to this name at the time because proof that buyers were going to be satisfied was somewhat lacking.

We have come a long way since the day of our modest beginning and, with convincing figures to back up our claims, we are more proud than ever of the name "**The Sale of Satisfied Buyers.**" Through the 32 auctions held during the twelve year period, we have sold approximately 2,000 purebred Shorthorns for the staggering total of \$400,000. We are proud indeed of the record. The consignors display their confidence by bringing more and better cattle to each sale. The confidence of buyers is displayed through the continued patronage of old customers and an ever-widening circle of new customers.

No business enterprise can reach complete success except under conditions where each transaction results in a profit for BOTH SELLER and BUYER. And no business can prosper unless the benefits are obvious in the section where it is conducted. The enviable reputation enjoyed by Abingdon Shorthorn Sales may be attributed very largely to the fact that a loyal group of consignors have supplied honest, healthy, well bred cattle and they have been happy to sell them at prices that left buyers a liberal margin for profit. That these annual sales have benefited the area in which they have been held is indicated by the fact that the general quality of cattle on the farms of Western Illinois is better now than ever before.

More than four hundred thousand dollars! This convincing amount of money now defends the name "**The Sale of Satisfied Buyers!**" We believe the cattle to be offered on October 26th will add further prestige to the name. We invite you to study this catalog and we repeat again, "**You can buy with confidence at Abingdon.**"

Elkhorn Augusta 6th—A very smooth, level, young cow that was the dam of Edellyn Rocket Command, the very highly regarded calf that sold in one of our recent sales. She sells with a very choice heifer calf at side and rebred to Calrossie Mercury. Here is a combination worth the consideration of every Shorthorn breeder in the business. Be alert when this combination sells.

HERE ARE A FEW PICTURES TAKEN ON THE FARMS OF ABINGDON CONSIGNORS

Have you every talked with the various men who consign good Shorthorns regularly to the Abingdon sales? Try is sometime. You'll find that these men are proud to have had a part in building the splendid reputation of this sale. None of them have ever received high prices for their cattle. The prices that have been paid have provided a fair profit for the producer and yet the margin has always been favorable to the buyer. Satisfaction on both sides has been the result and the consignors come back to each sale with better cattle in order that buyers may continue in their appreciation of **Abingdon** as a dependable source of supply. The list of consignors to the October 26th sale is complete assurance that this will be one of the strongest sale offerings in the history of this event.

A group of Klaymor Footprint heifers at Marellbar Farms.

These blocky, good headed calves were also produced at Marellbar Farms.

A part of the cow herd at Edellyn Farms.

A group of young females in the Arnold Bros.' herd.

Forty-seven very choice females have been assembled for this sale and these include some of the best potential profit-makers that have ever been sold at Abingdon. There will be plenty of mature cows with calves, plenty of bred heifers and plenty of open heifers that are good enough to win back their purchase price in the show ring. Those who study the catalog will immediately recognize that this entire offering contains the richest possible Scotch bloodlines as well as the get of the most famous sires of the day. As in all former Abingdon sales, pedigrees and health certificates will be provided promptly and everything possible will be done to safeguard the name of **"The Sale of Satisfied Buyers."** Plan now to attend this sale at Abingdon, Illinois on October 26th.

B. & O. and Santa Fe Railroads. Frequent busses run from Galesburg to Abingdon but please remember that we will be glad to meet trains in Galesburg if advance notice is given.

The Abingdon Sale...

Where the Scotch bloodlines are of the best; where the individuals are of top quality and in splendid condition, though without the pampering that hinders future usefulness; where pedigrees and health certificates are delivered promptly; where each consignment is backed by a reliable breeder and where the sale management functions on the theory that "If buyers secure courteous treatment and profitable cattle, sellers are always going to find a most satisfactory market."
